#### **D. Other Information Required by HUD**

Use this section to provide any additional information requested by HUD.

## **ADMISSIONS POLICY FOR DECONCENTRATION**

It is Russellville Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Russellville Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis can be found in **Appendix 1**.

The Russellville Housing Authority may offer an incentive to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

An incentive may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

**Housing Authority of Russellville, Kentucky**

**Resident Advisory Board Meeting  
May 22, 2000**

**Attendees:**

Jack McLean, PHA  
Bette Smith, PHA  
Marion Todd , Resident  
Virginia Gregory, Resident  
Dorothy Stratton, Resident  
Sharon Keyes, Resident  
Charles Lewis, Resident  
James Hayden, Resident

The meeting was called to order and the Russellville Housing Authority's proposed PHA Plan and revised ACOP were reviewed. The new Lease and Recertification were reviewed and discussed.

The Resident Advisory Board expressed the view that the Russellville Housing Authority does a very good job. The Council confirmed the mission and goals of the PHA.

The current CIAP and Capital Funding Program work items were discussed. Bid opening is set for June 22<sup>nd</sup>.

Marion Todd and Dorothy Stratton from Daniels Addition commented on the work items and made the request that the windows also be replaced. The PHA commented that they will take another look at the windows.

Charles Lewis and Sharon Keyes spoke for Johnson Street. They want a playground for the under 12 year olds and a basketball court for the older teens. They would also like to see the "rules" posted and the curfew enforced. They would also like to have the "speed bumps" put back. The "speed bumps" were removed when the city paved the streets. The PHA responded that the Executive Director would discuss the "speed bumps" with the Mayor and the building of the playground is in the 5-year Plan.

Some residents suggested that maybe a fence could be placed along the PHA property on the left side of Johnson Street with two or three security lights. The PHA promised to take a look at the area for fencing and noted that the security lights are in the 5-year Plan for installation in the FFY 2002.

The Resident Advisory Board approved the proposed PHA Plan, new ACOP, and new Lease.

The Community Service Requirement was discussed and all residents present are already volunteers at a variety of City agencies. They suggested several ways that residents might volunteer to assist the PHA, such as playground supervision, trash pickup, or newsletter distribution.

No date was set for the next meeting; however, the meeting adjourned on a positive note. Each RAB member agreed to try to get another resident involved in the RAB meetings.

# **ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

---

This Admissions and Continued Occupancy Policy defines the Russellville Housing Authority's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

## **1.0 FAIR HOUSING**

It is the policy of the Russellville Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Russellville Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Russellville Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Russellville Housing Authority will provide Federal/State/local information to applicants/residents of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Russellville Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Russellville Housing Authority will assist any family that believes they have suffered illegal discrimination. The Russellville Housing Authority will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

## **2.0 REASONABLE ACCOMODATION**

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Russellville Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Russellville Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not

always apparent, the Russellville Housing Authority will ensure that all applicants/residents are aware of the opportunity to request reasonable accommodations.

## **2.1 COMMUNICATION**

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Reexamination/recertification will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

## **3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS**

The Russellville Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English in order to assist non-English speaking families.

## **4.0 FAMILY OUTREACH**

The Russellville Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

## **5.0 RIGHT TO PRIVACY**

All adult members of both applicant and resident households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or resident information will not be released unless there is a signed release of information request from the applicant or resident.

## **6.0 REQUIRED POSTINGS**

In each of its offices, the Russellville Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours

## **7.0 TAKING APPLICATIONS**

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

**940 Hicks Street  
Russellville, Kentucky 42276**

Applications are taken to compile a waiting list. Due to the demand for housing in the Russellville Housing Authority jurisdiction, the Russellville Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Russellville Housing Authority will verify the information.

Applications will be mailed to interested families upon request.

The completed application will be dated and the time noted upon its return to the Russellville Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Russellville Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **800-247-2510**.

If the Russellville Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Russellville Housing Authority will annotate the applicant's file and will update their place on the waiting list.

The Russellville Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's eligibility for admission into the Public Housing Program.

## **8.5     *INFORMAL REVIEW***

- A.     If the Russellville Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Russellville Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Russellville Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Russellville Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Russellville Housing Authority's decision. The Russellville Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B.     The participant family may request that the Russellville Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

## **9.0     MANAGING THE WAITING LIST**

### **9.1     *OPENING AND CLOSING THE WAITING LIST***

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting

lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

## **9.2 ORGANIZATION OF THE WAITING LIST**

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, income, preference, and then in order of date and time of application; and
- C. Any contacts between the Russellville Housing Authority and the applicant will be documented in the applicant file.

## **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be within three (3) vacancies of being offered a unit, the family will be notified and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The proper notation will be made in their file.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

## **9.4 PURGING THE WAITING LIST**

The Russellville Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Russellville Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

## **9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST**

The Russellville Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing or by phone that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

## **9.6 MISSED APPOINTMENTS**

All applicants who fail to keep a scheduled appointment with the Russellville Housing Authority will be sent a notice of termination of the process for eligibility.

The Russellville Housing Authority will allow the family to reschedule for good cause. No more than one opportunity will be given to reschedule. Applicants will be offered the right to an informal review before being removed from the waiting list.

## **9.7 NOTIFICATION OF NEGATIVE ACTIONS**

Any applicant whose name was being removed from the waiting list may request an informal review to present any mitigating circumstances. The Russellville Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Russellville Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. A reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

## **10.0 TENANT SELECTION AND ASSIGNMENT PLAN**

### **10.1 PREFERENCES**

The Russellville Housing Authority will select families based on the following preferences within each bedroom size category:

- A. Local Preferences
  - 1. Working in Russellville
  - 2. Working elsewhere

- 3. Living in Russellville
- 4. Those unable to work because of age or disability
- 5. Households that contribute to meeting the broad ranges of income
- 6. Households that contribute to meeting the income requirement (targeting)
- B. Involuntarily displaced (Disaster, Government Action, etc.)
- C. Living in substandard housing
- D. Paying more than 50% of income for rent
- E. All other applicants

Based on the above preferences, all families in local preferences A will be offered housing before any families in preference B; preference B families will be offered housing before any families in preference C; preference C families will be offered housing before any families in preference D; then all others.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

**Unit Designated for Disabled Only Housing:** The Russellville units #9, 13, 40, 81, 133, 139, 147, 148, 132 AND 140 have been approved by HUD as being designated for persons with disabilities only. In filling vacancies in this development, first priority will be given to disabled families. If there are no disabled families on the list, next priority will be given to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

**Accessible Units:** Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

## 10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or overhousing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Russellville Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom unless otherwise noted by the PHA.
- B. Children of the opposite sex, both under the age of 6 will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster – adults and/or foster - children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Russellville Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 1 year or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Russellville Housing Authority will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 15-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

### ***10.3 SELECTION FROM THE WAITING LIST***

The Russellville Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

### ***10.4 DECONCENTRATION POLICY***

It is Russellville Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Russellville Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

#### ***10.5 DECONCENTRATION INCENTIVES***

The Russellville Housing Authority may offer an incentive to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

An incentive may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

#### ***10.6 OFFER OF A UNIT***

When the Russellville Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Russellville Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Russellville Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. This verbal offer and the family's decision must be documented in the resident file.

#### ***10.7 REJECTION OF UNIT***

If the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

## **10.8 ACCEPTANCE OF UNIT**

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

The applicant will be provided a copy of the lease, and if requested, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a move-in inspection report. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the resident's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Russellville Housing Authority will retain the original executed lease in the resident's file.

The family will pay a security deposit at the time of lease signing. The security deposit will be the following:

**1BR - \$50.00; 2BR - \$75.00; 3BR - \$100.00; 4BR - \$150.00**

**For all others – 1 (One) month's rent**

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. The security may be increased by unit size, but not decreased.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

## **11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME**

- 1.
2. To determine annual income, the Russellville Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Russellville Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

### **11.1 INCOME**

1. Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- 1. B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- 1. C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Russellville Housing Authority believes that past income is the best available indicator of expected future income, the Russellville Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

1. Annual income includes, but is not limited to:

- 1. A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- 2.
- 3. B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- 4.
- 5. C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- 6.
- 7. D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective

monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

- 8.
9. E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- 10.
11. F. Welfare assistance.
  1. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
  2. Imputed welfare income
    4. a. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the Russellville Housing Authority by the welfare agency) plus the total amount of other annual income.
    3. b. At the request of the Russellville Housing Authority, the welfare agency will inform the Russellville Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Russellville Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Russellville Housing Authority will use this information to determine the amount of imputed welfare income for a family.
    3. c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Russellville Housing Authority by the welfare agency).
    3. d. The amount of the imputed welfare income is

offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

3.

- e. The Russellville Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.

3.

- f. If a resident is not satisfied that the Russellville Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Russellville Housing Authority denies the family's request to modify such amount, then the Russellville Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Russellville Housing Authority's determination of the amount of imputed welfare income. The Russellville Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3.

- g. Relations with welfare agencies

- 1). The Russellville Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Russellville Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- 2). The Russellville Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the Russellville Housing Authority is not responsible

for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

- 3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Russellville Housing Authority shall rely on the welfare agency notice to the Russellville Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

3.

1. G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

2.

3. H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

4.

## **11.2 ANNUAL INCOME**

1. Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;

- F. The full amount of student financial assistance paid directly to the student or to the educational institution;

  - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
  - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the Russellville Housing Authority Governing Board. No resident may receive more than one such stipend during a six-month period of time;
  - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government). Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
  - 6. Temporary, nonrecurring or sporadic income (including gifts);
  - 7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

For purposes of this exclusion the following definitions apply:

If the family member leaves the employment or is terminated from employment with good cause, the exclusion period shall end.
  - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
1. 9. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
  - 2.
  - 3.
  4. a. Families whose income increases during the participation of a family member in any family self-sufficiency program.
  - 5.

- 10.
- D. Reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

### ***11.4 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME***

- A. If a public housing resident receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within ten (10) days of receipt by the resident.
- B. The **Executive Director** shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the Russellville Housing Authority shall adjust the resident's rent beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the Russellville Housing Authority shall do one of the following:

### ***11.5 COOPERATING WITH WELFARE AGENCIES***

The Russellville Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the Russellville Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

## **12.0 VERIFICATION**

The Russellville Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

## **12.1 ACCEPTABLE METHODS OF VERIFICATION**

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Russellville Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/resident file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Russellville Housing Authority will accept documentation received from the applicant/resident. Hand-carried documentation will be accepted if the Russellville Housing Authority has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

### ***12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS***

1. The citizenship/eligible noncitizen status of each family member regardless of age must be determined.
  
1. Prior to being admitted, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a Social Security card, birth certificate, military ID, or military DD 214 Form.
  
1. Prior to being admitted, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.
  
1. Prior to being admitted, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Russellville Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Russellville Housing Authority will also verify their status through the INS SAVE system.
  
1. Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.
  
1. Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.
  
1. Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

- 2.
3. If no family member is determined to be eligible under this section, the family's eligibility will be denied.
1. If the Russellville Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing.

#### **12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS**

1. Prior to admission, each family member who has a Social Security number and who is at least 6 months of age must provide verification of their Social Security number. New family members must provide this verification prior to being added to the lease. Children in assisted households must provide this verification as soon as possible.
1. The best verification of the Social Security number is the original Social Security card. If the card is not available, the Russellville Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.
1. If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.
- 2.

#### **12.5 TIMING OF VERIFICATION**

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will only verify and update those elements reported to have changed.)

### **13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT**

#### **13.1 FAMILY CHOICE**

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the Income method or having their rent set at the flat rent amount.

1. A. Families who opt for the flat rent will be required to go through the income reexamination process every year.

1. B. Families who opt for the flat rent may request to have a reexamination and return to the Income based method at any time for any of the following reasons:

3. 1. The family's income has decreased.

3. 2. The family's circumstances have changed increasing their expenses for medical care, etc.

3. 3. Other circumstances creating a hardship on the family such that the Income method would be more financially feasible for the family.

C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Russellville Housing Authority will provide them with the following information whenever they have to make rent decisions:

1.

1. The Russellville Housing Authority's policies on switching types of rent in case of a financial hardship; and

3.

2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Russellville Housing Authority will provide the amount of income-based rent for the subsequent year if the family specifically requests it and submits updated income information.

3.

4.

### **13.2 THE INCOME METHOD**

3.

4. The total tenant payment is equal to the highest of:

5.

A. 10% of the family's monthly income;

B. 30% of the family's adjusted monthly income; or

C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is

specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or

D. The minimum rent of \$50.00.

3.

### **13.3 MINIMUM RENT**

The Russellville Housing Authority has set the minimum rent at \$50.00. If the family requests a hardship exemption, however, the Russellville Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A. A hardship exists in the following circumstances:

1. When the family through no fault of its own has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
2. When the family would be evicted because it is unable to pay the minimum rent;
3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
4. When a death has occurred in the family.

B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension. No hardship is believed to exist where the unit contains cable TV, telephone, or other rental services.

C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with the Section 19 of this policy for any rent not paid during the period of

suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

### ***13.4 THE FLAT RENT***

The Russellville Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its condition, amenities, services, and neighborhood. The Russellville Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The Russellville Housing Authority will post the flat rents at the central office and they are incorporated in this policy upon approval by the Board of Commissioners.

**There is no utility allowance for families paying a flat rent.**

### ***13.5 CEILING RENT***

The Russellville Housing Authority has set a ceiling rent for each public housing unit. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Russellville Housing Authority will post the ceiling rent at the central office and it is incorporated in this policy upon approval by the Board of Commissioners.

### ***13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE***

- 1. A mixed family will receive full continuation of assistance if all of the following conditions are met:
  - A. The family was receiving assistance on June 19, 1995;

3.     B.     The family was granted continuation of assistance before November 29, 1996;
- C.     The family's head or spouse has eligible immigration status; and
- D.     The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Russellville Housing Authority will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Russellville Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A.     Determine the 95<sup>th</sup> percentile of gross rent (tenant rent plus utility allowance) for the Russellville Housing Authority. The 95<sup>th</sup> percentile is called the maximum rent.
- B.     Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C.     Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D.     Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

### **13.7 UTILITY ALLOWANCE**

1. The Russellville Housing Authority shall establish a utility allowance for all check-metered utilities and for all resident-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Russellville Housing Authority will review the actual consumption of resident families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated as necessary.
2. For Russellville Housing Authority paid utilities, the Russellville Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Russellville Housing Authority will be billed to the resident.
  1. Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the quarter in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.
  1. Requests for relief from surcharges for excess consumption of Russellville Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for resident-paid utility costs may be granted by the Russellville Housing Authority on reasonable grounds. Requests may be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

### **13.8 PAYING RENT**

Rent and other charges are due and payable on the first day of the month. All rents should be paid at the office, 940 Hicks Street, Russellville, Ky. Reasonable accommodations for this requirement will be made for persons with disabilities.

If the rent is not paid by the fifth of the month, a Notice to Vacate will be issued to the resident. In addition, a \$20.00 late charge will be assessed to the resident. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$20.00 for processing costs.

## **14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE**

### **14.1 GENERAL**

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described, unless they are exempt from this requirement

#### **14.3 NOTIFICATION OF THE REQUIREMENT**

3. The Russellville Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.
3. The Russellville Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Russellville Housing Authority shall verify such claims.

3. The notification will advise families that their community service obligation will begin 10-01-2000 and thereafter the effective date of their annual reexamination. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. The PHA will advise all eligible residents that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

#### **14.4 VOLUNTEER OPPORTUNITIES**

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Russellville Housing Authority will coordinate with available agencies in identifying a list of volunteer community service positions.

3.

#### **14.5 THE PROCESS**

3. On or after October 1, 2000, and each annual reexamination thereafter, the Russellville Housing Authority will do the following:
  - A. Provide a list of volunteer opportunities to the family members.
  - B. Provide information about obtaining suitable volunteer positions.
  - C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
  - D. During the next reexamination, the Housing Authority will advise whether each applicable adult family member is in compliance with the community service requirement.

#### **14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT**

3. The Russellville Housing Authority will notify any family found to be in noncompliance of the following:

4.

- B. That, unless the family member(s) enter into an agreement to comply within 30 days, the lease will not be renewed or will be terminated;

1.

#### **14.7 OPPORTUNITY FOR CURE**

3. The Russellville Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the next 30 day period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement.
3. If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Russellville Housing Authority shall take action to terminate the lease.

4.

#### **14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES**

In implementing the service requirement, the Russellville Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

3.

#### **15.0 RECERTIFICATIONS**

At least annually, the Russellville Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

#### **15.1 GENERAL**

1. The Russellville Housing Authority will send a notification letter to the family letting them know

that it is time for their annual reexamination, giving them the option of selecting either the flat rent or Income method, and scheduling an appointment if they are currently paying a Income rent. If the family thinks they may want to switch from a flat rent to a Income rent, they should discuss at their appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the Income method, instructions for the family in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary.

2.

3. During the appointment, the Russellville Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

4.

5.

6.

### **15.2 MISSED APPOINTMENTS**

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise the family to contact the Housing Authority immediately for rescheduling. The letter will also advise that failure by the family to attend the interview will result in the Russellville Housing Authority taking eviction actions against the family, or the RHA can set their rent by the ceiling rent or the flat rent.

### **15.3 FLAT RENTS**

The annual letter to flat rent payers regarding the reexamination process will state the following:

1. A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of having their rent based on the Income amount.
1. B. The amount of the flat rent
- C. A fact sheet about Income rents.
1. D. Families who opt for the flat rent will be required to go through the income reexamination process.
1. E. Families who opt for the flat rent may request to have a reexamination and return to the Income-based method at any time for any of the following reasons:
  3. 1. The family's income has decreased.
  3. 2. The family's circumstances have changed.

- F. The Russellville Housing Authority reviews the amount of the flat rent
- 1. annually.
- 2.

- 1. G. A certification for the family to sign accepting or declining the flat rent.
- 2.

#### **15.4 THE INCOME METHOD**

- 1. During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.
- 1. Upon receipt of verification, the Russellville Housing Authority will determine the family's annual income and will calculate their rent as follows.
- 2.
- 3. The total tenant payment is equal to the highest of:
- 4.
  - A. 10% of the family's monthly income;
  - B. 30% of the family's adjusted monthly income; or
  - C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
  - D. The minimum rent of \$50.00
- 3.

#### **15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS**

- 1. The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.
- 1. If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

1. If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

## **15.6 INTERIM REEXAMINATIONS**

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

1. Families will be required to report any increase in income or decreases in allowable expenses between annual reexaminations.
1. Families are required to report the following changes to the Russellville Housing Authority between regular reexaminations. If the family's rent is being determined under the Income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.
  3. A. A member has been added to the family through birth or adoption or court-awarded custody.
  4. B. A household member is leaving or has left the family unit.
  3. C. Increase or Decrease in family income.
  - 4.

In order to add a household member other than through birth or adoption, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must provide their income, assets, and all other information required of an applicant. The individual must provide their Social Security number and must verify their citizenship/eligible immigrant status. The new family member will go through the screening process similar to the process for applicants. The Russellville Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the Income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with section 15.8.

## **15.7 SPECIAL REEXAMINATIONS**

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Russellville

Housing Authority may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

### **15.8 *EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS***

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

1. If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.
1. If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.
- 2.

## **16.0 UNIT TRANSFERS**

  1. E. To eliminate vacancy loss and other expense due to unnecessary transfers.

### **16.2 *CATEGORIES OF TRANSFERS***

1. Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a

family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

1. Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category 3: Regular administrative transfers. These transfers are made to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Russellville Housing Authority when a transfer is the only or best way of solving a serious problem.

### ***16.3 DOCUMENTATION***

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### ***16.4 PROCESSING TRANSFERS***

3. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time in excess of seven (7) days they have possession of both.
- 4.
5. The following is the policy for the rejection of an offer to transfer:
